

By Telegraph to The New-York Tribune.

(Southern Magnetic Telegraph Office, at Hartford and New York.)

For additional Telegraphic Dispatches, see Third Page.

Washington Items.

WASHINGTON, Wednesday, April 30.
We are gratified to learn that Messrs. Fowler (Mass.) and Gordon (Ala.) have both so far recovered their health as to be able to leave their rooms.

Messrs. Dyer & Maguire add today, at auction, the elegant furniture, &c., of Hon. David A. Bakes. The sale was largely attended, and excellent prices realized.

A number of removals of subordinate clerks in the various Departments are occurring daily, and the Whigs are suffering along with the Opposition.

Changes in Washington.

WASHINGTON, Wednesday, April 30.
Peyton W. Moore of North Carolina has been appointed principal Corresponding Clerk in the Navy Department, vice Harris of Maine, removed.

Dr. W. S. Parrott, Chief Clerk of the Bureau of Provisions and Clothing in the Navy resigned today.

The late removals in the Land Office are of persons who were opponents of Commissioner Butterfield, who has been granted absolute power in the matter.

Southern Mail Items, &c., via Baltimore.

BALTIMORE, Wednesday, April 30.
The New Orleans mails are received as late as usual.

The great race at Mobile on the 23d, between Lady Suffolk and Cow Driver, in harness, best 3 in 5, was won by Lady Suffolk in four heats.

Paroli was received as great honor in New-Orleans. The ladies gave her a grand serenade.

Jenny Lind has entirely recovered her health. In lieu of a benefit at Philadelphia, she has presented the members of her orchestra (sixteen of them) with \$200 each.

The late Fire at Honesdale.

HONESDALE, Wednesday, April 30.
The late fire destroyed the fixtures of the Coal Co. for loading coal to some extent, but they will be soon restored to order again, and business will be dispatched with its accustomed vigor. The Canal navigation is in good order and some boats are leaving with coal.

The feeling at Havana Relative to the Invasion.

CUBA, Wednesday, April 30.
Capt. Rollins, of the steamship Isabel, a well informed man, states that when he left Havana the mass of the people were under no apprehensions of any attack, and that although the Government continued to keep up defensive preparations they were perfectly at ease about their invasion.

The stories relative to the coming of their arms, continued excitement, &c., are believed to be made up for effect.

It is predicted that the Southern Convention, which is to meet here on Monday next, will be a failure.

Father Mathew Coming East.

LOUISVILLE, Wednesday, April 30.
We learn that Father Mathew has left Nashville for this place, on his way Eastward.

The Overflow of Vicksburg.

VICKSBURG, Tuesday, April 29.
All apprehensions of an overflow here have ceased, and the river is now falling. Rain is much needed.

Arrest of Cole, the Bank Robber.

BALTIMORE, Wednesday, April 30.
Levi Cole, the accomplice of Tom Kanouse, who stands charged with being connected in the robbery of the Phoenix Bank, Western, Rhode Island, was arrested last evening. He will be taken to Rhode Island for trial.

The Frigate Suquehanna.

NORFOLK, Wednesday, April 30.
The frigate Suquehanna, the report of a change having been made in the destination of the United States Frigate Suquehanna, and says she will be ready to sail on the 15th of May.

Splendid Run of the Steamer Reindeer to Albany.

ALBANY, Wednesday, April 30.
The steamer Reindeer, arrived here at 10 minutes past 3 o'clock, thus making the run in 7 hours and 50 minutes from New-York.

Break in the Erie Railroad.

ALBANY, Wednesday, April 30.
About six rods of the Erie Railroad track sunk at this place yesterday. There was an engine standing on the track at the time, which went down with it, and nothing but the engine and the track were left. The cause of the break was a defect in the bottom. The Railroad Company are at work building a track around the engine and the track, and the engine and the track are being moved to the new track. It will not take many days to build the track on its old location.

Markets—BUFFALO, April 30.

At about six rods of the Erie Railroad track sunk at this place yesterday. There was an engine standing on the track at the time, which went down with it, and nothing but the engine and the track were left. The cause of the break was a defect in the bottom. The Railroad Company are at work building a track around the engine and the track, and the engine and the track are being moved to the new track. It will not take many days to build the track on its old location.

Markets—NEW YORK, April 30.

The following have been the receipts since our last issue: 1,400 bushels wheat, 2,500 bushels corn, 1,000 bushels oats, 1,000 bushels rye, 1,000 bushels barley, 1,000 bushels clover, 1,000 bushels timothy, 1,000 bushels alfalfa, 1,000 bushels hay, 1,000 bushels straw, 1,000 bushels wood, 1,000 bushels coal, 1,000 bushels oil, 1,000 bushels sugar, 1,000 bushels flour, 1,000 bushels meal, 1,000 bushels bran, 1,000 bushels shorts, 1,000 bushels middlings, 1,000 bushels screenings, 1,000 bushels refuse, 1,000 bushels waste, 1,000 bushels scrap, 1,000 bushels dross, 1,000 bushels slag, 1,000 bushels ash, 1,000 bushels lime, 1,000 bushels cement, 1,000 bushels brick, 1,000 bushels tile, 1,000 bushels stone, 1,000 bushels sand, 1,000 bushels gravel, 1,000 bushels pebbles, 1,000 bushels shells, 1,000 bushels bones, 1,000 bushels hair, 1,000 bushels manure, 1,000 bushels fertilizer, 1,000 bushels seed, 1,000 bushels food, 1,000 bushels medicine, 1,000 bushels chemicals, 1,000 bushels dyes, 1,000 bushels pigments, 1,000 bushels colors, 1,000 bushels inks, 1,000 bushels paints, 1,000 bushels varnishes, 1,000 bushels oils, 1,000 bushels resins, 1,000 bushels gums, 1,000 bushels waxes, 1,000 bushels tallow, 1,000 bushels soap, 1,000 bushels candles, 1,000 bushels matches, 1,000 bushels paper, 1,000 bushels cloth, 1,000 bushels leather, 1,000 bushels iron, 1,000 bushels steel, 1,000 bushels copper, 1,000 bushels brass, 1,000 bushels zinc, 1,000 bushels tin, 1,000 bushels lead, 1,000 bushels silver, 1,000 bushels gold, 1,000 bushels platinum, 1,000 bushels palladium, 1,000 bushels rhodium, 1,000 bushels iridium, 1,000 bushels osmium, 1,000 bushels selenium, 1,000 bushels tellurium, 1,000 bushels arsenic, 1,000 bushels antimony, 1,000 bushels bismuth, 1,000 bushels mercury, 1,000 bushels cadmium, 1,000 bushels strontium, 1,000 bushels barium, 1,000 bushels calcium, 1,000 bushels magnesium, 1,000 bushels sodium, 1,000 bushels potassium, 1,000 bushels lithium, 1,000 bushels rubidium, 1,000 bushels cesium, 1,000 bushels francium, 1,000 bushels actinium, 1,000 bushels thorium, 1,000 bushels uranium, 1,000 bushels plutonium, 1,000 bushels americium, 1,000 bushels curium, 1,000 bushels berkelium, 1,000 bushels californium, 1,000 bushels einsteinium, 1,000 bushels fermium, 1,000 bushels mendelevium, 1,000 bushels nobelium, 1,000 bushels lawrencium, 1,000 bushels rutherfordium, 1,000 bushels dubnium, 1,000 bushels seaborgium, 1,000 bushels meitnerium, 1,000 bushels hassium, 1,000 bushels tennessine, 1,000 bushels oganesson.

Markets—NEW ORLEANS, April 30.

The following have been the receipts since our last issue: 1,400 bushels wheat, 2,500 bushels corn, 1,000 bushels oats, 1,000 bushels rye, 1,000 bushels barley, 1,000 bushels clover, 1,000 bushels timothy, 1,000 bushels alfalfa, 1,000 bushels hay, 1,000 bushels straw, 1,000 bushels wood, 1,000 bushels coal, 1,000 bushels oil, 1,000 bushels sugar, 1,000 bushels flour, 1,000 bushels meal, 1,000 bushels bran, 1,000 bushels shorts, 1,000 bushels middlings, 1,000 bushels screenings, 1,000 bushels refuse, 1,000 bushels waste, 1,000 bushels scrap, 1,000 bushels dross, 1,000 bushels slag, 1,000 bushels ash, 1,000 bushels lime, 1,000 bushels cement, 1,000 bushels brick, 1,000 bushels tile, 1,000 bushels stone, 1,000 bushels sand, 1,000 bushels gravel, 1,000 bushels pebbles, 1,000 bushels shells, 1,000 bushels bones, 1,000 bushels hair, 1,000 bushels manure, 1,000 bushels fertilizer, 1,000 bushels seed, 1,000 bushels food, 1,000 bushels medicine, 1,000 bushels chemicals, 1,000 bushels dyes, 1,000 bushels pigments, 1,000 bushels colors, 1,000 bushels inks, 1,000 bushels paints, 1,000 bushels varnishes, 1,000 bushels oils, 1,000 bushels resins, 1,000 bushels gums, 1,000 bushels waxes, 1,000 bushels tallow, 1,000 bushels soap, 1,000 bushels candles, 1,000 bushels matches, 1,000 bushels paper, 1,000 bushels cloth, 1,000 bushels leather, 1,000 bushels iron, 1,000 bushels steel, 1,000 bushels copper, 1,000 bushels brass, 1,000 bushels zinc, 1,000 bushels tin, 1,000 bushels lead, 1,000 bushels silver, 1,000 bushels gold, 1,000 bushels platinum, 1,000 bushels palladium, 1,000 bushels rhodium, 1,000 bushels iridium, 1,000 bushels osmium, 1,000 bushels selenium, 1,000 bushels tellurium, 1,000 bushels arsenic, 1,000 bushels antimony, 1,000 bushels bismuth, 1,000 bushels mercury, 1,000 bushels cadmium, 1,000 bushels strontium, 1,000 bushels barium, 1,000 bushels calcium, 1,000 bushels magnesium, 1,000 bushels sodium, 1,000 bushels potassium, 1,000 bushels lithium, 1,000 bushels rubidium, 1,000 bushels cesium, 1,000 bushels francium, 1,000 bushels actinium, 1,000 bushels thorium, 1,000 bushels uranium, 1,000 bushels plutonium, 1,000 bushels americium, 1,000 bushels curium, 1,000 bushels berkelium, 1,000 bushels californium, 1,000 bushels einsteinium, 1,000 bushels fermium, 1,000 bushels mendelevium, 1,000 bushels nobelium, 1,000 bushels lawrencium, 1,000 bushels rutherfordium, 1,000 bushels dubnium, 1,000 bushels seaborgium, 1,000 bushels meitnerium, 1,000 bushels hassium, 1,000 bushels tennessine, 1,000 bushels oganesson.
